Draft, Deliberative

Hi Dave,

Please see the attached items for your attention. I'll continue to sweep the inbox for additional items. If you have any questions or concerns, please let me know.

Attachments

1. **For review** – Draft EPA/USACE WIFIA MOU – I worked with Stacey on formatting. Once you clear, Ryan Fisher will sign first, then it will come back for your signature.
2. **For review** – HTF 2019 Report to Congress
3. **For review** – Updated Draft Urban Waters Report
4. **For review** – Correspondence re: FL's assumption of 404
5. **For approval** – Yellow copy congressional letter re: steam electric
6. **Heads-up:** Email from Susan on EO 13892 with a potential request for you. This will also be a topic on Friday's 1-on-1 with Susan. (OECA Topics: EO 13892 Section 6, OC Circuit Rider Program, and Drinking Water NCI) **Do you have any topics you want me to pass along to Susan's folks for Friday's 1-on-1?**
7. **Heads-up:** The Agency deadline for FY20 SES PARS has been pushed back to Monday, 11/25 ~~is Monday, 11/16~~. For you, that means we'll need to have you review and sign Lee, Charlotte, and Benita's packages officially. I'm working with Amber to re-work the timeline and gather things and develop the draft narratives where required to support the ratings. Nothing attached on this yet, just heads-up that it is coming.

Thank you,

Janita
